The Animals Went Into the Ark

**The animals went in two by two, hurrah! hurrah!
The animals went in two by two, hurrah! hurrah!**

**The animals went in two by two,
the elephant and the kangaroo**

**And they all went into the ark,
for to get out of the rain.**

The Animals Went Into the Ark

**The animals went in three by three,
hurrah! hurrah!**

**The animals went in three by three,
hurrah! hurrah!**

**The animals went in three by three,
the wasp, the ant and the bumble bee**

**And they all went into the ark,
for to get out of the rain.**

The Animals Went Into the Ark

**The animals went in four by four,
hurrah! hurrah!**

**The animals went in four by four,
hurrah! hurrah!**

**The animals went in four by four,
the great hippopotamus stuck in the door**

**And they all went into the ark,
for to get out of the rain.**

The Animals Went Into the Ark

**The animals went in five by five,
hurrah! hurrah!**

**The animals went in five by five,
hurrah! hurrah!**

**The animals went in five by five,
They warmed each other to keep alive**

**And they all went into the ark,
for to get out of the rain.**

The Animals Went Into the Ark

The animals went in six by six, hurrah! hurrah!

The animals went in six by six, hurrah! hurrah!

**The animals went in six by six,
they turned out the monkey because of his tricks**

**And they all went into the ark,
for to get out of the rain.**

The Animals Went Into the Ark

**The animals went in seven by seven,
hurrah! hurrah!**

**The animals went in seven by seven,
hurrah! hurrah!**

**The animals went in seven by seven, the
little pig thought he was going to heaven**

**And they all went into the ark, for to get
out of the rain.**

The Unicorn

A long time ago when the earth was green

**There was more kinds of animals
than you'd ever seen**

**They'd run around free
while the world was being born**

But the loveliest of them all was the u--ni--corn

**There was green alligators and long necked geese
Some humpy back camels and some chimpanzees
Cats and rats and elephants
but sure as you're born**

The loveliest of all was the u--ni--corn

The Unicorn

**But the Lord seen some sinnin'
and it caused him pain**

**He said "Stand back - I'm gonna make it rain
So hey brother Noah, I'll tell you what to do,
Build me a floating zoo."**

**And you take two alligators and a couple of geese
Two hump back camels and two chimpanzees
Two cats, two rats, two elephants
but sure as you're born**

Noah, don't you forget my u--ni--corn.

The Unicorn

**Now Noah was there and he answered the callin'
And he finished up the ark as the rain started fallin'
And he marched in the animals two by two
And he sung out as they went through**

**"Hey Lord, I got you two alligators
and a couple of geese**

**Two hump back camels and two chimpanzees
Two cats, two rats, two elephants
but sure as you're born**

Lord, I just don't see your u--ni--corns."

The Unicorn

**Well, Noah looked out through the driving rain,
But the unicorns were hiding - playing silly games,
They were kickin' and a-spashin'
while the rain was pourin'
Oh them foolish unicorns.**

**And you take two alligators and a couple of geese
Two hump back camels and two chimpanzees
Two cats, two rats, two elephants
but sure as you're born
Noah, don't you forget my u--ni--corn.**

The Unicorn

**And then the ark started moving
and it drifted with the tide,**

**And the unicorns looked up
from the rock and cried,**

**And the water came up
and sort of floated them away,**

That's why you've never seen a unicorn to this day.

The Unicorn

**"You'll see a lot of alligators
and a whole mess of geese
You'll see hump back camels and chimpanzees
You'll see cats and rats and elephants
but sure as you're born
You're never gonna see no u--ni--corns."**

Born Free

**Born free, as free as the wind blows
As free as the grass grows
Born free to follow your heart**

**Live free and beauty surrounds you
The world still astounds you
Each time you look at a star**

Born Free

**Stay free, where no walls divide you
You're free as the roaring tide
So there's no need to hide**

**Born free. And life is worth living,
But only worth living because you're
Born Free**

Flanders and Swann

The Hippopotamus Song

**A bold hippopotamus was standing one day
On the banks of the cool Shalimar
He gazed at the bottom as he peacefully lay
By the light of the evening star
Away on a hilltop sat combing her hair
A fair hippopotama maid
The hippopotamus was no ignoramus
And sang her this sweet serenade**

**Mud, mud, glorious mud
There's nothing quite like it for cooling the blood
So follow me follow, down to the hollow
And there let us wallow in glorious mud**

The Hippopotamus Song

**The fair Hippopotama he aimed to entice
From her seat on that hilltop above
As she hadn't got a Ma to give her advice
Came tiptoeing down to her love.**

**Like thunder the forest re-echoed the sound
of the song that they sang when they met
His inamorata adjusted her garter
And lifted her voice in duet**

The Hippopotamus Song

**'Mud, Mud, glorious mud
Nothing quite like it for cooling the blood!
So follow me, follow
Down to the hollow
And there let us wallow
In glorious mud!'**

The Hippopotamus Song

**Now more Hippopotami began to convene
On the banks of that river so wide
I wonder, now, what am I to say of the scene
That ensued by the Shalimar side?**

**They dived all at once, with an ear-splitting splosh
Then rose to the surface again
A regular army
of Hippopotami
All singing this haunting refrain:**

The Hippopotamus Song

**'Mud, Mud, glorious mud
Nothing quite like it for cooling the blood!
So follow me, follow
Down to the hollow
And there let us wallow
In glorious mud!'**

I Wanna Be Like You

**Now I'm the king of the swingers oh, the jungle VIP
I've reached the top and had to stop,
and that's what botherin' me**

**I wanna be a man, mancub, and stroll right into town
And be just like the other men,
I'm tired of monkeyin' around, oh**

**Oo-bee-doo, I wanna be like yoo-ooo-oo
I wanna walk like you, talk like you, too-ooo-ooo
You'll see it's true-ooo-ooo, an ape like me-ee-ee
Can learn to be hu-ooo-ooo-man too-ooo-ooo**

I Wanna Be Like You

**Now don't try to kid me, mancub,
I made a deal with you**

**What I desire is man's red fire,
to make my dream come true**

**Now give me the secret, mancub,
c'mon clue me what to do**

**Give me the power of man's red flower,
so I can be like you, oh**

I Wanna Be Like You

Oo-bee-doo, I wanna be like yoo-ooo-oo
I wanna walk like you, talk like you, too-ooo-ooo
You'll see it's true-ooo-ooo, someone like me
Can learn to be like someone like you/me
Take me home daddy!
Can learn to be like someone like you/me
One more time!
Can learn to be like someone like you

Eye Of The Tiger

**Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive**

**So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive**

Eye Of The Tiger

**It's the eye of the tiger, it's
the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watching us all with the eye of the tiger**

**Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds, still we take to the street
For the kill with the skill to survive**

Eye Of The Tiger

**It's the eye of the tiger, it's
the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watching us all with the eye of the tiger**

**Risin' up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive**

Eye Of The Tiger

**It's the eye of the tiger, it's
the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
stalks his prey in the night
And he's watching us all with the eye of the tiger**

Nellie the Elephant

To Bombay

A traveling circus came

They brought an intelligent elephant

And Nellie was her name

One dark night

She slipped her iron chain

And off she ran to Hindustan

And was never seen again

Oooooooooooooo...

Nellie the Elephant

**Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump**

**Nellie the Elephant packed her trunk
And trundled back to the jungle
Off she went with a trumpety-trump
Trump, trump, trump**

Nellie the Elephant

**Night by night
She danced to the circus band
When Nellie was leading the big parade
She looked so proud and grand**

**No more tricks
For Nellie to perform
They taught her how to take a bow
And she took the crowd by storm**

Nellie the Elephant

**Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump**

**Nellie the Elephant packed her trunk
And trundled back to the jungle
Off she went with a trumpety-trump
Trump, trump, trump**

Nellie the Elephant

**The head of the herd was calling
Far, far away
They met one night in the silver light
On the road to Mandalay**

**So Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trum
Trump, trump, trump
Oooooooooooooooooo...**

Nellie the Elephant

**Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump**

See You Later Alligator

Chorus:

**See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?**

**Well I saw my baby walkin'
With another man today.
When I asked her "What's the matter?"
This is what I heard her say.**

Repeat Chorus

See You Later Alligator

**When I thought of what she told me,
Nearly made me lose my head,
When I thought of what she told me,
Nearly made me lose my head.
But the next time that I saw her,
Reminded her of what she said.**

**See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?**

See You Later Alligator

**She said, "I'm sorry, pretty baby,
You know my love is just for you."
She said, "I'm sorry, pretty baby,
You know my love is just for you,
Won't you say that you'll forgive me,
And say your love for me is true."**

**See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?**

See You Later Alligator

Instrumental

**She said, "I'm sorry, pretty daddy,
You know my love is just for you."
She said, "I'm sorry, pretty daddy,
You know my love is just for you,
Won't you say that you'll forgive me,
And say your love for me is true."**

**See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?**

See You Later Alligator

I said, "Wait a minute, 'gator,
I know you mean't it just for play."
I said, "Wait a minute, 'gator,
I know you mean't it just for play.
Don't you know you really hurt me,
And this is what I have to say."

See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?

Teddy Bear

**Baby let me be,
your lovin' Teddy Bear
Put a chain around my neck,
and lead me anywhere
Oh let me be
Your teddy bear.**

**I don't wanna be a tiger
Cause tigers play too rough
I don't wanna be a lion
'Cause lions ain't the kind
you love enough.**

Teddy Bear

**Just wanna be, your Teddy Bear
Put a chain around my neck
and lead me anywhere
Oh let me be
Your teddy bear.**

**Baby let me be, around you every night
Run your fingers through my hair,
And cuddle me real tight
Oh let me be
Your teddy bear.**

I just wanna be your teddy bear

Octopus's Garden

**I'd like to be under the sea
In an Octopus's Garden in the shade.
He'd let us in knows where we've been,
In his Octopus's Garden in the shade.
I'd ask my friends to come and see
An Octopus's Garden with me.
I'd like to be under the sea
In an Octopus's Garden in the shade.**

Octopus's Garden

**We would be warm below the storm
In our little hideaway beneath the waves.
Resting our head on the sea bed
In an Octopus's Garden near a cave.
We would sing and dance around
Because we know we can't be found.
I'd like to be under the sea
In an Octopus's Garden in the shade.**

Octopus's Garden

**We would shout and swim about
The coral that lies beneath the waves.
Oh, what joy for every girl and boy
Knowing they're happy and they're safe.
We would be so happy, you and me.
No one there to tell us what to do.
I'd like to be under the sea
In an Octopus's Garden with you,
In an Octopus's Garden with you,
In an Octopus's Garden with you,**

"That's all Folks!"
